

DIPLOMA

Awarded to:

HITSA A/S

for demonstrating corporate social responsibility in:

ENVIRONMENT

HITSA A/S works actively with documenting the environmental impact on their surroundings.

Green Network can conclude that **HITSA A/S** meets the requirements of Green Network for documentation of their environmental impact.

That entails that **HITSA A/S**

- Has produced a report according to Green Networks templates
- Has identified the material issues within the area in question
- Has set targets for continuous improvement

HITSA A/S receives Green Network's diploma for the 6th time

The diploma covers the period from april 2021 to and including may 2024

A handwritten signature in black ink, reading "Susanne Lydholm", positioned above a horizontal line.

Susanne Lydholm
Managing Director, Green Network

Green Network has presented this diploma to the company as a recognition of the company's work for corporate social responsibility either within environment or health and safety.

Within the areas in question the company has lived up to Green Network's expectations to document the measurement of impact according to the manuals developed by Green Network or the international standards ISO 14001, OHSAS 18001, ISO 45001 or EMAS.

Green Network is a business network and consultancy within CSR, environment and health and safety, that works to enhance companies capacity within societal responsibility.
